

Printing

Year 5 Summer Term

Art & Design

What I already know?

- I am familiar with a range of hard and soft materials which I know can be used for printing.
- I am able to recognise how shapes and materials can create different textures.

William Morris

Style: Classical

William Morris was an English textile designer, poet and novelist. He was a huge influence to the Arts and Crafts Movement. He was part of a group of artists known for the revival of textile art. His drawings and textile prints were based on nature and included flowers and leaves.

Vocabulary

Printing	To create a printing plate for patterns using different materials.
Pattern	an arrangement of shapes, lines or colours that can be repeated or used again and again
Relief printing	Relief printing is a family of printing methods where a printing block, plate or matrix that has had ink applied to its surface, but not to any recessed areas, is brought into contact with paper.
Shape	the appearance of an object as defined by its outer surface or outline; form.
Lino printing	Lino printing is a form of fine art printmaking where the printing plate is cut into lino and then inked ready to print onto paper
Mono printing	The monoprint is a form of printmaking where the image can only be made once, unlike most printmaking which allows for multiple originals
Foreground	Draws your eye to the front or middle of a piece.
Background	The space behind the foreground. What is the eye not immediately attracted to?
Contrast	One thing that is strikingly different to another
