

# We Are Web Developers

Year 5 — Spring Term

## Digital Literacy

### Online Safety

- I will keep my personal information safe online by never sharing my name, address or school.
- I will keep my passwords private and only share these with trusted adults at home and school.
- I will never share photographs of myself with strangers.
- I will ask permission before downloading anything online.
- I will tell a trusted adult if you receive a mean or strange message from anyone.

### Essential Knowledge

- I will know how information is passed between the components that make up the Internet
- I will know how a website can be structured
- I will know how to add content to a web page.

### What I should already know:

- How to log on the Chrome books
- How to create a PowerPoint presentation
- How to compose a piece of music using GarageBand on the iPads

### Vocabulary

<b>Hyperlinks</b>	Text or images that, when clicked, opens another page or moves to another part of the document
<b>Internet</b>	Global network connecting computers and local networks
<b>Web browser</b>	Program running on a computer to display internet pages
<b>World Wide Web</b>	The documents you can read on the internet

### Essential Skills

- I will be able to plan a site about online safety
- I will be able to use Google Sites to create a site
- I will be able to add text and images to my site
- I can add a hyperlink to my site
