

Meteorologists

Information Technology

What I should already know:

- Different weather types
- How to take photos on an iPad

Online Safety

- I will not tell anyone my name, address or my school name online.
- I will not use or send a photo of myself online.
- I will keep my passwords secret from anyone who is not my trusted adult.
- I will not download anything without asking my trusted adult first

Vocabulary

Data	Information gathered to answer questions
Input	Data supplied to a computer
Table	A way of displaying data

Essential Knowledge

- I will know how to enter the data on a spreadsheet
- I will know how to read the data collected and use this to predict the weather
- I will know how to present a weather forecast using my findings

Essential Skills

- I will be able to measure the temperature and rainfall
- I will be able to record the data on a spreadsheet
- I will be able to take photos using an iPad
- I will be able to create a presentation for my weather forecast using Microsoft PowerPoint.
