

ARE YOU CYBER SAFE?

Cyber crime is a crime such as fraud, bullying, theft or grooming that is committed online using a device that can access the web, such as smart phones, tablets or other devices. Cyber crime also includes crimes against your computer or device such as contaminating or corrupting it with viruses or taking over your social media profile, email account or your website.

LOOK FOR THE PADLOCK SIGN

in the address bar if you are paying for something online.

LOOK CAREFULLY AT EMAILS YOU ARE SENT

Beware of emails that look like they may be from a bank or other organisation.

DON'T SHARE PERSONAL INFORMATION OR YOUR ADDRESS ONLINE

Don't share where you live, your address or your bank details; these help criminals steal money from you and your parents.

BULLYING ONLINE IS A CRIME

Trolling, bullying and harassment online whether through Twitter, Snapchat, Instagram, Facebook or other social media is a crime.
