

Cubs - 16/9/22

This week

This week we have been reading our story of the week, walking through the jungle. We have enjoyed making paper plate animals, footprint and handprint animals. We have been doing lots of listening walks and listening to animal sounds. We have also been moving in different ways that animals do. To end the week we have been making jungle green flapjack.

Next week

It is our last week in Cubs this week. We are in for a fantastic week. We have our new story of the week, dear zoo. We will be handprinting and footprinting for a memorable piece of art and enjoying lots of our favourite toys of the year. To end the week we will be wearing our own clothes, making a champion cake and making crowns for us to leave Cubs as Champions.

Up, up, up and away!

Don't forget we have our hot air balloon by our door. This will be there to put in all our unwanted dummies. It is very important to start to think about giving up our dummies for our oral health. And what better way to do this than to use our hot air balloon, to take them up, up, up and away. We do understand this transition can be very hard but we are here to help with this! At the end of every term we will remind everyone of our wonderful balloon that's in place.

A big well done:

- To all of our children for starting to earn caring cub rewards this week
- To our new starters for settling so well
- To Millie for giving up her dummy and comforter.
- To those children that are toilet training- what superstars!
