

Nursery - 20.01.2023

This week

We are really enjoying our new topic the big freeze. This week we have been focusing on Artic facts and the Orca Whale. The children have enjoyed learning all about these. Our stories of the week have been, one winters day and lanterns and fire crackers. Our song of the week has been 1,2 buckle my shoe.

The children have really enjoyed drawing their self-portraits this week.

We have had great fun for messy Monday, we enjoyed exploring shaving foam, fork painting polar bears and sticking and gluing whales. We had a lovely wellie walk finding different artic animals and exploring the snow. We have made a white chocolate winter cheese cake with Miss Smith and lastly the children enjoyed our fitness Friday, playing what time is it Mr Whale.

For Phonics our sound of the week has been D and our focus for maths has been continuing with the number 2.

To end the week we celebrated Chinese New Year. We had our very own Chinese restaurant, made Chinese lanterns, explored red noodles with chop sticks and tweezers and lastly we tasted some Chinese foods.

Castaway play

We have planned a trip to castaway play for the 7th and 8th March, you will get confirmation on what day your child will be attending on a slip in the next couple of weeks. Payments can now be made Via Parent pay.

Mother's day workshops-March

Resources

If you have any recycled toilet roll tubes at home Nursery would really appreciate these being donated next week!

Dexter the dummy dinosaur!

We are now into the new year and what a better way to start thinking, if we have not already, about giving up our Dummies and Bottles. Nursery will be creating something special in the next few weeks to help to promote this and help with this big milestone! Watch out for our big magical creation!
