

Cubs - 20/1/23

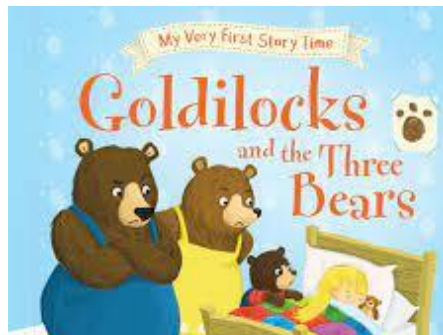

This week...

We have enjoyed another fun filled week in our Cubs room. The children enjoyed the story *The Great Race* and have learnt lots of new animal names. We have been taking part in races repeating 'ready, steady, go'. We had so much fun in the snow this week, we made our own snowman, snow angels and loved watching as our feet left prints all over our school field. Please see Learning Book for any WOW moments.

On Friday we used our counting skills and listened carefully to instructions when baking some delicious rabbit shaped biscuits. In Cubs we have been working on the children's independence skills when taking off and putting on their shoes and coats. Please continue to encourage this at home.

Next week

Continuing with our Tell Me A Tale topic our story of the week will be *Goldilocks and Three Bears*. If you have any resources at home that you wish to share please bring them into school.
