

Forest School

Year 5/6

Summer

Using fire for cooking

What I already know

Know how to light a fire and keep it going.

Cook campfire popcorn using suitable equipment effectively and safely with support.

Have had experience of toasting marshmallows and fruit kebabs on an open fire.

Know safety procedures around fire safety.

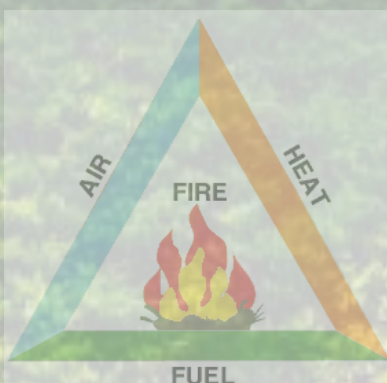

- ◆ Place wood on fire area.
- ◆ Don't leave a fire unattended.
- ◆ Walk around the fire

Vocabulary

Sustain	Keep going
Fire	Gives off heat and energy
Roast	Method of cooking.
Toast	Method of cooking.
Equipment	Utensils used for cooking
Safety rules	Rules that are kept to keep us safe.
tend	Look after

Connecting Concepts

Fire needs three things to remain alight. Remove either the fuel (like wood, dried grass, hay), air (oxygen) or the heat (matches, flame) and the fire will go out.

Skills

To make and tend a fire safely.

Use cooking equipment effectively and safely and to roast food on an open fire.

To boil a kettle on an open fire and make a hot drink.
